

Springfield Elks Lodge 1560 Drug Awareness Program Participates in Community Trunk or Treat

Springfield Lodge 1560 members and Springfield High School youths held a “haunting” drug awareness program as part of Springfield’s annual Trunk or Treat event. Elroy the Elk tried to make an appears but was “blown away” by the high winds so his lodge helpers distributed drug awareness coloring books, crayons, literature, and candy, while escorting them through the “haunted” trailer. Over 1000 people were in attendance during this community event that had over 40 sponsored “trunks”.
