

Springfield Elks Lodge 1560 awards grant to Springfield Family Center

All community food shelves struggle to stay stocked with food – both fresh and non-perishables as they continue to offer meals, take-out, and food items to the hungry. The Springfield Family Center is no exception.

Recently, the Springfield Elks Lodge 1560 awarded the food bank an Elks National Foundation Gratitude Grant in the amount of \$1250.00 to help with their mission. The Family Center distributes over 100 meals daily, and provides food boxes tailored to individual needs, along with fresh produce, grains, meats and even pet food. The homeless and impoverished sector of our community benefits from this Center on an ongoing basis throughout the year. For over 50 years, the Springfield Family Center has worked to alleviate hunger and poverty in the Southern VT region, assisting individuals and families facing economic hardships.

Trisha Paradis, Executive Director, Victor Baskevich, Lodge Trustee, Carolee Murchie, PER, Steffanie Baker, Manager, Keegan Mack-Chase, Food Shelf Coordinator present ENF Gratitude Grant to the Springfield Family Center in Springfield VT

Monetary donations can be made online by clicking the link below or through the mail – Springfield Family Center, PO Box 20, North Springfield, VT 05150
